Press the OK soft key after you have finished writing the phone number. ABSTRACT Related Publications Tags: TELENIS NORSTAR series M7310, NORSTAR NORTEL, NORSTAR PROGRAMMING, NORTEL NORSTAR Video Tutorial Skip to main content. We have recently been notified of clients who receive Skybest emails requesting personal information. Example: A, to cancel the non-disturbing function (if it is not scheduled in a button), press A, A, A, A, A, A, # 85 Definitions of basic basic background characteristics A user can listen to music (the music source is provided by the client and must be connected by our technician at the time of system installation) through the telephone speaker Fono a e when the set is inactive. Transfer This function is used to transfer an internally call. To store a personal rapid marking, press Feature * 4 and then dial the personal rapid dial entry you want to program (256-279). Care! We have recently been notified of clients who receive Skybest emails requesting personal information. This characteristic does not work for a private line. Voice call A user can make a voice announcement to a telephone of a e person, as long as the internal part is called has a speakerphone telephone. For earlier versions, see the user's guide or contact the System Administrator. Link Generate a link signal to transfer a call to a number out of the system. Scheduling a feature A person can program any characteristic code in a memory key. Before starting, keep in mind: no warning will be given if the entry is already scheduled A e a e simply Conferencing call With this feature³ you cannot create a 3-person call with two other internal or external parties. Pause Program in an external auto-dial sequence to insert a delay of 1.5 seconds. Ensures that the correct character is programmed into a key labeled for a character. Allows a user to check the schedule ³ any Keys. It does not disturb when the phone is on DND. Incoming calls will not ring on this phone. the line indicator will flash so that the call can be answered. Call Pickup: Answer the group a call you are calling to another phone in your pickup group. Call calling (internal only) Send your calls to another phone on your system. You can also connect with us on Facebook, Google+, Twitter and Pinterest for updates. For information on how to store and use these personal speed dials, complete the following steps. Call Park You can place an active call on hold and assign a call recovery code from the park so that the call can be retrieved from another phone. Send Message (No Voice Mail System) Send a message to another phone within your system that shows your extension number as the one you called. Mobile lines change the position of your line or search group buttons. Do not click on any link in the email or give any information. For software version 7.1, the personal speed dial input numbers range from 256-279. The Ringer Volume Adjustment user can adjust the rusty/low shape of their phone rings. Do not disturb also prevents your phone from receiving voice calls. Name and Number Block Block block name and / or outgoing number per call. This can help save time and increase efficiency within the office. For an excellent selection of business phone systems and equipment, you can visit us online or call 1-800-564-8045. Next, dial 9 and then enter the external phone number. Your screen will read "Entry stored" as a confirmation. Pickup call: responds to any ring phone. Press-76 and dial the ring extension number. Response by The next call. If more than one call is expected, priority is given to incoming external calls through callback calls, ³ camping, or transferred. You can use the BKSP soft key to remove the last entered end. This feature is scheduled in the following. next. gnilaid.gnilaid A a e C NOTHAB-ENOUB-ENOUMUB LANQRUP NAKE ROF .TheTrapED DEXT LANQINUE Sept 4 morf esohc Nac Res ROOT ADUN GNIXHOUT ROURC ROURCY EHT YSEUCY EHT YSEUCY EHT YSEUCY EHT YSEUCY DETHOY NALTHY EHT YSEUCY EHT YSEUCY DETHOY) SeoHpelet LUIT EDAM EUNTHY, DNAESSERP SI YEPH natt gatt gatt gatt gatt gatt gatt gat in iHT gatne morf Enohpelet Rony TNERP YEND LLUC ECIOV .007117 & 80271, 8027m
